Elements of Beauty

HYDRAFACIAL

Information Sheet

Hydro facial treatments are scientifically shown to significantly improve the appearance of skin in clinical studies participants show immediate and long-term benefits after receiving a series of five or more hydro facial treatments.

- 100% of participants had clearer skin with 65% achieving acne free skin.
- 100% reported visibly cleaner clearer skin.
- 95% reported less oil and congestion.
- 85% of those with acne so few of blemishes and less inflammation.
- 70% reported a significant increase in hydration.

Our non-invasive treatment improve skin health addresses, individual concerns and creates a glow like no other unlike traditional facials it's performed via device rather than by hand for deeper penetration and long lasting results.

The magic is in the wand which works like a vacuum to open paws for a deep clean and easy extraction of impurities and dead skin cells. It also allows the active ingredients in our boosters to penetrate deeper for the most effective treatment possible.

3-steps to the best skin of your life

- Cleanse deeply cleanses and exfoliate with a gentle peel to uncover a new layer of skin.
- Extract removes impurities from paws with painless gentle suction.
- Hydrate saturates the skin surface with intense moisturisers and nourishing personalised ingredients.

Personalise your treatment for even better results.

Boosters are potent formulas packed with active ingredients the target and treat specific concerns. Add one onto your next treatment
